

# The ISF Pre-School Second Semester Playgroup 2019-20

The Playgroup program is designed for children aged two to three who may be interested in joining The ISF Pre-School. The classes are small in size and are conducted in Putonghua or English. The 90-minute sessions on Saturdays are led by experienced early years teachers. Children will explore different themes through a variety of developmentally appropriate activities, including sensory exploration, music and movement, physical games, stories, arts and crafts.

The program offers children a taste of the learning experience at The ISF Pre-School. It aims at helping young children nurture social and communication skills, as well as physical development. Children are to attend playgroup unaccompanied in the second semester.

Applicants/Parents should note that enrollment in the Playgroup does NOT grant automatic admission to The ISF Pre-School.
