

Pre-School

Saturday Playgroup 2020-21

ISF 弘立

The Playgroup program is designed for children aged two to three who are interested in applying to The ISF Pre-School. Led by experienced early years teachers, these 90-minute sessions are held on Saturdays in small classes and conducted in Putonghua or English. Children will explore different themes through a variety of developmentally appropriate activities, including sensory exploration, music and movement, physical games, stories, and arts and crafts.

The program offers children a taste of the learning experience at The ISF Pre-School. It aims to help young children nurture social and communication skills, as well as physical development. Children are to be accompanied by a parent for some of the classes in September and October, and attend on their own for the rest of the semester.

Applicants/Parents should note that enrollment in the Playgroup does NOT grant automatic admission to The ISF Pre-School.
